This Website collects some Personal Data from its Users.

Owner and Data Controller

CAP REAL ESTATE Limited

Owner contact email: info@caprealestate.co.uk

Types of Data collected

Among the types of Personal Data that this Website collects, by itself or through third parties, there are: Cookies, Usage Data, email address, first name, last name, phone number, company name, address, country, ZIP/Postal code, various types of Data, city, field of activity, website, profession, province, state, gender, date of birth, Calendar permission, Contacts permission, Microphone permission, Phone permission, SMS permission, Storage permission, Reminders permission, Social media accounts permission, username, billing address and house number.

Complete details on each type of Personal Data collected are provided in the dedicated sections of this privacy policy or by specific explanation texts displayed prior to the Data collection.

Personal Data may be freely provided by the User, or, in case of Usage Data, collected automatically when using this Website.

Unless specified otherwise, all Data requested by this Website is mandatory and failure to provide this Data may make it impossible for this Website to provide its services. In cases where this Website specifically states that some Data is not mandatory, Users are free not to communicate this Data without consequences to the availability or the functioning of the Service.

Users who are uncertain about which Personal Data is mandatory are welcome to contact the Owner.

Any use of Cookies – or of other tracking tools – by this Website or by the owners of third-party services used by this Website serves the purpose of providing the Service required by the User, in addition to any other purposes described in the present document and in the Cookie Policy, if available.

Users are responsible for any third-party Personal Data obtained, published or shared through this Website and confirm that they have the third party's consent to provide the Data to the Owner.

Mode and place of processing the Data

Methods of processing

The Owner takes appropriate security measures to prevent unauthorized access, disclosure, modification, or unauthorized destruction of the Data.

The Data processing is carried out using computers and/or IT enabled tools, following organizational procedures and modes strictly related to the purposes indicated. In addition to the Owner, in some cases, the Data may be accessible to certain types of persons in charge, involved with the operation of this Website (administration, sales, marketing, legal, system administration) or external parties (such as third-party technical service providers, mail carriers, hosting providers, IT companies, communications agencies) appointed, if necessary, as Data Processors by the Owner.

The updated list of these parties may be requested from the Owner at any time.

Legal basis of processing

The Owner may process Personal Data relating to Users if one of the following applies:

- Users have given their consent for one or more specific purposes. Note: Under some legislations the Owner may be allowed to process Personal Data until the User objects to such processing (“opt-out”), without having to rely on consent or any other of the following legal bases. This, however, does not apply, whenever the processing of Personal Data is subject to European data protection law;
- provision of Data is necessary for the performance of an agreement with the User and/or for any pre-contractual obligations thereof;
- processing is necessary for compliance with a legal obligation to which the Owner is subject;
- processing is related to a task that is carried out in the public interest or in the exercise of official authority vested in the Owner;
- processing is necessary for the purposes of the legitimate interests pursued by the Owner or by a third party.

In any case, the Owner will gladly help to clarify the specific legal basis that applies to the processing, and in particular whether the provision of Personal Data is a statutory or contractual requirement, or a requirement necessary to enter into a contract.

Place

The Data is processed at the Owner's operating offices and in any other places where the parties involved in the processing are located.

Depending on the User's location, data transfers may involve transferring the User's Data to a country other than their own. To find out more about the place of processing of such transferred Data, Users can check the section containing details about the processing of Personal Data. Users are also entitled to learn about the legal basis of Data transfers to a country outside the European Union or to any international organization governed by public international law or set up by two or more countries, such as the UN, and about the security measures taken by the Owner to safeguard their Data.

If any such transfer takes place, Users can find out more by checking the relevant sections of this document or inquire with the Owner using the information provided in the contact section.

Retention time

Personal Data shall be processed and stored for as long as required by the purpose they have been collected for.

Therefore:

- Personal Data collected for purposes related to the performance of a contract between the Owner and the User shall be retained until such contract has been fully performed.
- Personal Data collected for the purposes of the Owner's legitimate interests shall be retained as long as needed to fulfil such purposes. Users may find specific information regarding the legitimate interests pursued by the Owner within the relevant sections of this document or by contacting the Owner.

The Owner may be allowed to retain Personal Data for a longer period whenever the User has given consent to such processing, as long as such consent is not withdrawn. Furthermore, the Owner may be obliged to retain Personal Data for a longer period whenever required to do so for the performance of a legal obligation or upon order of an authority.

Once the retention period expires, Personal Data shall be deleted. Therefore, the right to access, the right to erasure, the right to rectification and the right to data portability cannot be enforced after expiration of the retention period.

The purposes of processing

The Data concerning the User is collected to allow the Owner to provide its Services, as well as for the following purposes: Access to third-party accounts, Analytics, Advertising, Contacting the User, Data transfer outside the EU, Device permissions for Personal Data access, Interaction with external social networks and platforms, Managing contacts and sending messages, Managing landing and invitation pages, Platform services and hosting, Registration and authentication and Social features.

Users can find further detailed information about such purposes of processing and about the specific Personal Data used for each purpose in the respective sections of this document.

Device permissions for Personal Data access

Depending on the User's specific device, this Website may request certain permissions that allow it to access the User's device Data as described below.

By default, these permissions must be granted by the User before the respective information can be accessed. Once the permission has been given, it can be revoked by the User at any time. In order to revoke these permissions, Users may refer to the device settings or contact the Owner for support at the contact details provided in the present document.

The exact procedure for controlling app permissions may be dependent on the User's device and software.

Please note that the revoking of such permissions might impact the proper functioning of this.

Website

If User grants any of the permissions listed below, the respective Personal Data may be processed (i.e accessed to, modified or removed) by this Website.

Further information about Personal Data

Analysis and predictions based on the User's Data ("profiling")

The Owner may use the Personal and Usage Data collected through this Website to create or update User profiles. This type of Data processing

allows the Owner to evaluate User choices, preferences and behaviour for the purposes outlined in the respective section of this document.

User profiles can also be created through the use of automated tools like algorithms, which can also be provided by third parties. To find out more, about the profiling activities performed, Users can check the relevant sections of this document.

The User always has a right to object to this kind of profiling activity. To find out more about the User's rights and how to exercise them, the User is invited to consult the section of this document outlining the rights of the User.

Personal Data collected through sources other than the User

The Owner of this Website may have legitimately collected Personal Data relating to Users without their knowledge by reusing or sourcing them from third parties on the grounds mentioned in the section specifying the legal basis of processing.

Where the Owner has collected Personal Data in such a manner, Users may find specific information regarding the source within the relevant sections of this document or by contacting the Owner.

Automated decision-making

Automated decision-making means that a decision which is likely to have legal effects or similarly significant effects on the User, is taken solely by technological means, without any human intervention. This Website may use the User's Personal Data to make decisions entirely or partially based on automated processes according to the purposes outlined in this document. This Website adopts automated decision-making processes as far as necessary to enter into or perform a contract between User and Owner, or on the basis of the User's explicit consent, where such consent is required by the law.

Automated decisions are made by technological means – mostly based on algorithms subject to predefined criteria – which may also be provided by third parties.

The rationale behind the automated decision making is:

- to enable or otherwise improve the decision-making process;
- to grant Users fair and unbiased treatment based on consistent and uniform criteria;
- to reduce the potential harm derived from human error, personal bias and the like which may potentially lead to discrimination or imbalance in the treatment of individuals etc.;
- to reduce the risk of User's failure to meet their obligation under a contract.

To find out more about the purposes, the third-party services, if any, and any specific rationale for automated decisions used within this Website, Users can check the relevant sections in this document.

Consequences of automated decision-making processes for Users and rights of Users subjected to it

As a consequence, Users subject to such processing, are entitled to exercise specific rights aimed at preventing or otherwise limiting the potential effects of the automated decisions taken.

In particular, Users have the right to:

Obtain an explanation about any decisions taken as a result of automated decision-making and express their point of view regarding this decision; challenge a decision by asking the Owner to reconsider it or take a new decision on a different basis; request and obtain from the Owner human intervention on such processing.

To learn more about the User's rights and the means to exercise them, the User is invited to consult the section of this document relating to the rights of the User.

The rights of Users

Users may exercise certain rights regarding their Data processed by the Owner. In particular, Users have the right to do the following:

- Withdraw their consent at any time. Users have the right to withdraw consent where they have previously given their consent to the processing of their Personal Data.
- Object to processing of their Data. Users have the right to object to the processing of their Data if the processing is carried out on a legal basis other than consent. Further details are provided in the dedicated section below.
- Access their Data. Users have the right to learn if Data is being processed by the Owner, obtain disclosure regarding certain aspects of the processing and obtain a copy of the Data undergoing processing.
- Verify and seek rectification. Users have the right to verify the accuracy of their Data and ask for it to be updated or corrected.
- Restrict the processing of their Data. Users have the right, under certain circumstances, to restrict the processing of their Data. In this case, the Owner will not process their Data for any purpose other than storing it.
- Have their Personal Data deleted or otherwise removed. Users have the right, under certain circumstances, to obtain the erasure of their Data from the Owner.

- Receive their Data and have it transferred to another controller. Users have the right to receive their Data in a structured, commonly used and machine readable format and, if technically feasible, to have it transmitted to another controller without any hindrance. This provision is applicable provided that the Data is processed by automated means and that the processing is based on the User's consent, on a contract which the User is part of or on pre-contractual obligations thereof.
- Lodge a complaint. Users have the right to bring a claim before their competent data protection authority.

[Details about the right to object to processing](#)

Where Personal Data is processed for a public interest, in the exercise of an official authority vested in the Owner or for the purposes of the legitimate interests pursued by the Owner, Users may object to such processing by providing a ground related to their particular situation to justify the objection.

Users must know that, however, should their Personal Data be processed for direct marketing purposes, they can object to that processing at any time without providing any justification. To learn, whether the Owner is processing Personal Data for direct marketing purposes, Users may refer to the relevant sections of this document.

[How to exercise these rights](#)

Any requests to exercise User rights can be directed to the Owner through the contact details provided in this document. These requests can be exercised free of charge and will be addressed by the Owner as early as possible and always within one month.
